

# Scraper Plus

(9mm - Heavy Traffic)

## Super Quality Carpet Matting

Scraper Plus is a premium carpet matting specially designed to provide an outstanding performance in terms of dirt pick up and moisture absorption. Moreover, the audible presence of the monofilament scrapers encourages people to wipe their feet over the matting, which further increases the functionality of the product.

The Scraper absorbs up to 59% more water than standard HTN mats and captures 50% more soil.

Available in unique color & size:  
Charcoal/Gray - 90x120cm
