

Ribbed Logomat™

(14mm - Heavy Traffic)

Designed for heavy foot traffic areas.

They are Durable commercial grade (20 colors available) mat with a polypropylene carpet top and PVC backing. The ribbed mats trap dirt, soak up water and reduce traffic patterns instantly. The mats can be vacuumed, swept or hosed down providing a practical, attractive Heavy-traffic interior entrance matting solution.

This mat is not printed but the logo or message is specially cut out of different mat colors. These mat sections are then pieced together and bonded to a rubber backing to create a beautiful, long-lasting and practical image mat.

Available in any size.
